HSE LAUNCH CAMPAIGN TO STOP SLIPS AND TRIPS

The Health and Safety Executive (HSE) have announced that they will run a workplace slips, trips and falls campaign in February and March this year. The campaign, which is called Shattered Lives, is aimed at workers who are most at risk of a slip, trip or fall in the workplace. These include not surprisingly construction workers and kitchen workers.

The HSE says that around 1,000 workers every month are seriously injured during these types of accidents.
